STIFTUNG

The Werner-Mosetter Foundation has the *charitable* mission of supporting relief projects at home and abroad for persons who rely on other people's help because of their physical, mental or emotional condition or because of their financial situation.

The *non-profit* mission is particularly realized by promoting science and research in the fields of medicine and nutrition science.

For our support for charitable activities and promotion of science and research, national and vocational education including student assistance, we are recognized as an organization serving tax-privileged purposes under a preliminary certificate of the Tax Office of Munich (Legal Entities Dept.), Germany, **tax no. 143/235/91041** dated 13/12/2010, effective from 13/12/2010.

It is hereby confirmed that any donations are only used for supporting charitable purposes as well as for the promotion of science and research, national and vocational education including student assistance.
